

**BULLETIN NO. 13/14-007**

**DATE: 7 Nov 13**

**TO: ALL ISR Affiliates**

**SUBJECT: Every Racer must have an ISR ID number.**

- New! For the 2013 - 2014 season. Every **Racer** participating in an ISR event must have an ISR ID number.
- At this time only racers are required to have this number.
- They can get this number online at [www.isrracing.org](http://www.isrracing.org) on a computer or any mobile device.
- A hard card will be mailed to them in five business days.
- This is a very painless process and can be done on a smart phone while standing in line.
- I have attached samples of the waiver forms. To show where on the waiver forms to write the participating racers ISR number.
- Note. Single page form <sup>1155 7/06</sup> per person for New York and Wisconsin events.
- Check that the entrants are providing all required information on the Waiver form and that **EVERY FORM IS LEGIBLE. (THIS IS VERY IMPORTANT)**
- Make certain that every entrant signs necessary **WAIVER AND RELEASE** forms and **THAT ANY MINOR ENTRANT COMPLETES THE MINOR WAIVER AND RELEASE( BOTH SIDES OF FORM)**
- Registration is also responsible for signing in all **OTHER RACE OFFICIALS AND CREW, PRESS, VIPs, and OTHER PEOPLE WITH PASSES.** It is very important that all who enter the facility sign the necessary **WAIVER AND RELEASE FORMS**
- ISR highly recommends copying all waivers into a PDF electronic form in alphabetical order in case a situation arises that we will need a particular waiver.
